

Change to single entry point and 1 way flow only

Create new section of 2m wide sealed path around existing carpark

Mystic Lane

Coronation Avenue

Fence along road to encourage usage of underpass

Create new "Iconic" trail head sign
Details to follow...

Close this entrance/exit

White Star Road closed to public vehicles (shuttles and emergency vehicles only)

Create 3.5m wide access point for emergency vehicles & shuttle access only (authorised vehicles)

Improve gradient of underpass, provide (asphalt) easier grade link to Bennetts Trail

Clean up under trees in this area to enhance shady spaces and informal rest areas

This area will be improved significantly - and offer a pleasant riverside area for MTBers to relax between runs, or wait for shuttles

Gravel or natural path to connect riverside area, and to trails

Ø29.1

log barrier, and 300-400mm (single step) level change (terrace)

60m long pickup area, room for 3 shuttle & trailer pickup locations.
